# Memorandum

**TO:** PINOLE PLANNING COMMISSION

**FROM:** ANNE HERSCH, AICP, ASSOCIATE PLANNER

**SUBJECT:** CUP 08-03 AT&T FAUX TREE UPDATE  
1106 San Pablo Ave.

**DATE:** DECEMBER 14, 2009

---

## **CURRENT STATUS**

Staff met with the contractor and a project representative on November 24, 2009 and December 1, 2009 to assess the condition of the faux monopole tree at 1106 San Pablo Ave., CUP 08-03. The contractor agreed to install new branches that measure 6 ft., 8 ft., and 10 ft., creating more symmetrical appearance. Additionally, braches were installed below the 15 ft. line shown on the original plans, to 10 ft. above the ground.

The building permit has not yet been finaied pending input by the Planning Commission regarding the appearance of the faux tree pole.
