THE LOUIS FRANCIS PARK PLAYGROUND IS BEING RENOVATED! Join Us And Give Your Feedback On The Design

**SATURDAY, JANUARY 28TH FROM 10am – 11am
At the Pinole Youth Center, 635 Tennent Ave.
Child Care Available Onsite**

On Saturday, January 28th from 10am – 11am at the Pinole Youth Center, 635 Tennent Ave., the City of Pinole Recreation Department is hosting a community meeting for residents, families and local neighbors to review new playground design proposals for Louis Francis Park. The current playground is well over 20 years old and is worn and weathered from many years of active play. A new playground and safety pad that is ADA and safety compliant will be installed this winter. This meeting is an opportunity for residents to tell us what kind of components you would like to see at your local park.

Child care is provided onsite during the meeting by our Youth Center staff at no charge.
