Recommendation

We have a strong brand and draft City seal and logo direction informed by our community. Today staff asks that City Council adopt a Resolution to establish a new City seal, logo, and branding guidelines.

City Logo

Final Draft

The wave represents water and movement.

The blue gradient symbolizes the different elements of water: creek and bay.

The pattern is a reference to basket artistry of the Ohlone.

The circle symbolizes our community.

The basketry design is inspired by the Ohlone. Baskets are used by many cultures.

The basket represents the interconnectedness between generations.

The hawk represents vision, recognition of opportunity, and stewardship of the land.

The oak trees are native to this area and produce acorns, which is the reason for our City's name.

The rolling hills are friendly, characteristic to Pinole.

San Pablo Bay can be seen through the valleys.

The golden sun represents warmth and friendliness.

Branding Guidelines

Purpose

Uphold **consistent branding** across all Pinole communications to cultivate a communal identity and local pride. Foster trust via recognition.

Colors

The color family is a curated selection of hues that work together to reflect the City's unique character.

Typography

Two font collections complement other brand components and have different uses. **Design fonts** are most commonly used for graphic media, while **Administrative fonts** are used more formally (i.e. official documents, policies).

Primary Design font - **Ubuntu**

City Seal

Final draft

History of our City Seal

- **1963** - the Pinole Chamber of Commerce held a City seal contest
- **1965** - City Council adopted a seal
- **1990's** - the City seal was amended

Inpiration was drawn from Pinole's natural beauty

The City Seal incorporates symbols and feelings shared by the community in the seal and logo surveys.

The City Seal uses colors from the branding guidelines and some of the same elements from the City logo design.

Border design elements from the 1965
City Seal were incorporated.

The difference between a City Seal and City Logo

City Seal

A seal is the official emblem of a city which is traditionally used to validate official documents or decrees.

Bills, certificates, proclamations, City agendas, stationary.

City Logo

A logo is a modern mark that represents an institution's core identity.

Flyers, social media, promotional materials, swag.

(Logo and seal usage examples only)

Upon City Council approval, staff will:

- Develop a process for the **transition** to the use of the new seal, logo and branding guidelines
- Begin rolling out the new branding across both **digital assets** (email, social media, videos, website, etc.) and **physical assets** (vehicles, business cards, signage, etc.).
- **Develop resources** to assist City departments, employees, Council, and others to properly deploy the new branding assets.
- If City Council adopts the new City seal, staff will return to council with an **ordinance for Chapter 1.02.010 (City Seal)** of the Pinole Municipal Code that contains an updated image and its description.

Fiscal Impact

- **Funding** to implement the new seal, logo and branding guidelines will largely be covered within existing department budgets.
- Staff will **prepare estimates** for areas of deployments that fall outside of the adopted budgets, such as City vehicle decals, and wayfinding signage;
 - Will be included as part of supplemental budget requests reviewed with the Fiscal Year 2024/25 budget in June.
- **Larger costs**, such as seal replacements inside and on the City Hall and Public Safety buildings will be considered **capital improvement projects** and will also be reviewed with the FY 24/25 budget.
