INTRODUCTION

This Housing Successor Agency Annual Report (“Annual Report”) presents information on Fiscal Year (“FY”) 2021-22 expenditures and activities as required by Health and Safety Code (“HSC”) Section 34176.1(f), including but not limited to a housing successor’s compliance with certain expenditure requirements over the year as well as a five-year planning period. This Annual Report is required of any housing successor to a former redevelopment agency.

CITY OF PINOLE AS HOUSING SUCCESSOR

The City of Pinole (“City”) is the housing successor (the “Housing Successor”) to the former Redevelopment Agency of the City of Pinole (the “Agency”), which was dissolved statewide in 2012. At the time of dissolution, a housing successor was to be selected to accept the transfer of and be responsible for the remaining assets and liabilities of a former redevelopment agency.

This Annual Report is an addendum to the City’s Housing Element Annual Progress Report. Both are due to the California Department of Housing and Community Development (“HCD”) by April 1 annually. The Housing Successor’s FY 2021-22 audited financial statements have been posted on the City website and are incorporated herein by reference.

SCOPE OF THIS HOUSING SUCCESSOR ANNUAL REPORT

This Annual Report is limited to the City’s activities as it relates to its role as a housing successor. This may include, but is not limited to, financial activities, property disposition, loan administration, monitoring of covenants, and affordable housing development. This Annual Report describes compliance with various annual, five-year, and ten-year housing expenditure and production requirements. FY 2021-22 is the third year of the current five-year compliance period for income proportionality, which begins July 1, 2019 and ends June 30, 2024.

ASSETS TRANSFERRED TO THE HOUSING SUCCESSOR

Upon the statewide dissolution of redevelopment in 2012, all rights, powers, committed assets, liabilities, duties, and obligations associated with the affordable housing activities of the former Agency were transferred to the Housing Successor. As one of its first duties as a housing successor, the Housing Successor prepared and submitted to the California Department of Finance (“DOF”) an inventory of

housing assets to be transferred from the former Agency. The inventory was enumerated on a Housing Asset Transfer Form (“HAT”) which included:

1. Real properties;
2. Personal property;
3. Low and Moderate Income Housing Fund encumbrances;
4. Loans/Grants Receivable;
5. Rents/Operations; and
6. Deferrals.

All items on the HAT were reviewed and ultimately approved by DOF on February 15, 2013. A copy of the HAT is provided as Appendix 1 in Attachment 2. The City, acting as Housing Successor, transferred these assets to the Low and Moderate Income Housing Asset Fund (“Housing Asset Fund”, Fund 285). Approval of the HAT set in motion a series of obligations by the City as a housing successor, as described in the following section.

BACKGROUND

This Section summarizes the legal requirements for use of housing successor assets that are addressed in this Annual Report.

LEGAL REQUIREMENTS PERTAINING TO HOUSING SUCCESSORS

A year after dissolution of redevelopment began, the California State Legislature recognized the need to regulate and provide transparency on the use of the housing activities transferred from a former redevelopment agency. Senate Bill 341 (DeSaulnier, 2013) and subsequent legislation enacted several requirements for housing successor agencies contained in HSC Sections 34176-34176.1.

In general, housing successors must comply with three major requirements pursuant to HSC Section 34176.1:

1. Housing Successor expenditures and housing production are subject to income and age targets.
2. Housing successors may not accumulate an “excess surplus,” or a high balance based on certain thresholds.

3. Properties must be developed with affordable housing or sold within five to ten years of being approved for transfer from the former redevelopment agency to the housing successor.

Appendix 2 in Attachment 2 provides a detailed summary of the reporting requirements that are addressed in this Annual Report.

PERMITTED USES OF HOUSING ASSET FUNDS

Pursuant to HSC Section 34176.1, Housing Asset Funds may be spent on:

- **Administrative costs** for operation of the housing successor agency. The law allows a housing successor to spend the greater of:
 - \$200,000 per year adjusted for inflation, or
 - 5% of the statutory value of real property owned by that housing successor and the value of loans and grants receivable from the HAT (“Portfolio”).

According to HCD, the \$200,000 limit adjusted for inflation is \$223,400 for FY 2020-21. At the time this report was prepared, HCD had not released an administrative limit for FY 2021-22, which will be higher. The Housing Successor will comply with the FY 2021-22 limit since administrative expenses were below \$223,400.

- **Homeless prevention and rapid rehousing services** up to \$250,000 per year if the former redevelopment agency did not have any outstanding inclusionary housing or replacement housing production requirements as of 2012. Pinole is eligible for this expense because the former Agency did not have any outstanding inclusionary or replacement housing requirements upon dissolution.
- **Affordable housing development** assisting households earning up to 80 percent of the Area Median Income (“AMI”), subject to specific income and age targets over a five-year period.

Five-Year Income Proportionality on Development Expenditures: Housing Asset Funds may be spent on development of housing projects affordable to low, very low, and extremely low income households. “Development” is defined as “new construction, acquisition and rehabilitation, substantial rehabilitation as defined in HSC Section 33413, the acquisition of long-term affordability covenants on multifamily units as described in HSC Section 33413, or the preservation of an assisted housing development that is

eligible for prepayment or termination or for which within the expiration of rental restrictions is scheduled to occur within five years.”

Over each five-year compliance period, at least 30 percent of such development expenditures must assist extremely low income households (30% AMI), while no more than 20 percent may assist low income households (between 60-80%). The balance of the funds may be used on households earning between 30% and 60% of AMI.

The first five-year compliance period was January 1, 2014 through June 30, 2019. The Housing Successor was compliant with Housing Asset Fund income proportionality expenditure requirements during the first five-year compliance period. The second, and current, five-year compliance period is July 1, 2019 to June 30, 2024.

Note that housing successors must report expenditures by category each year, but compliance with income proportionality limits is measured every five years. For example, a housing successor could spend all its funds in a single year on households earning between 60-80% AMI, as long as it was 20 percent or less of the total expenditures during the five-year compliance period.

Should a housing successor not spend at least 30% of its development expenditures assisting extremely low income households, or exceed the amount spent on low income households, future expenditures are subject to greater restriction until these proportionality targets are met. Specifically, if a housing successor is unable to spend at least 30% of its development expenditures on extremely low units, it is required to increase this spending to 50% until compliant with the 30% threshold; a housing successor that spends more than 20% of its development expenditures on low income units cannot spend any further funds on low income developments until it is at or below the 20% threshold.

As such, tracking these expenditures and their progress over the corresponding five-year period is an important function of this Annual Report.

Ten-Year Age Proportionality on Units Assisted: If more than 50% of the total aggregate number of rental units produced by the city, housing successor, or former redevelopment agency during the past 10 years are restricted to seniors, the housing successor may not spend more Housing Asset Funds on senior rental housing. In the last

10 years, the Housing Successor, former Agency, and City assisted 33 deed-restricted rental units that are not age restricted. The Housing Successor may assist up to 33 senior units to remain in compliance. (see Table 4).

Appendix 3 in Attachment 2 describes Housing Asset Fund Expenditure requirements in more detail including the types of costs eligible in each category.

LIMITS ON THE ACCUMULATION OF HOUSING FUNDS (EXCESS SURPLUS)

State law limit how much cash a housing successor may retain and, if it fails to commit and spend these dollars in a reasonable timeframe, ultimately penalizes the housing successor by requiring unspent funds to be transferred to HCD for use on State housing programs.

HSC Section 34176.1(d) establishes a limit, known as an “excess surplus” on the amount of unencumbered Housing Asset Funds based on the greater of the following:

- \$1,000,000, or
- The total amount of deposits made into the Housing Asset Fund over the preceding four years.

Only amounts in excess of this threshold are considered an excess surplus. Once an excess surplus is determined, a housing successor must account for these funds separately and encumber said monies within three years. If after the third year the excess surplus has not been fully encumbered, the remaining balance of the excess surplus is to be transferred to HCD within 90 days. HCD is permitted to use these transferred excess surplus funds anywhere in the State under its Multifamily Housing Program or the Joe Serna, Jr. Farmworker Housing Grant Program.

The concept of excess surpluses carries over from the era prior to dissolution of redevelopment, when redevelopment agencies often were receiving substantial amounts of deposits from the mandatory housing set-aside of 20% of tax increment revenues.

As part of the Annual Report, a housing successor must disclose any excess surplus and describe the housing successor’s plan for eliminating this excess surplus.

HOUSING ASSET FUND ACTIVITY

The following section describes the Housing Asset Fund activities in FY 2021-22.

DEPOSITS AND FUND BALANCE

The Housing Successor deposited \$1,676,410 into the Housing Asset Fund in FY 2021-22, as shown in Figure 1. Revenue sources consist of investment earnings from a note repayment by Bridge Housing, repayments on a Supplemental Education Revenue Augmentation Fund (“SERAF”) loan, and repayment on first-time homebuyer and residential rehabilitation loans issued by the former Agency.

EXPENDITURES

The Housing Successor expended a total of \$128,589 during FY 2021-22. All expenditures were for Housing Successor administration including professional services and utilities. The total administrative costs of \$128,589 are within the annual limit. The Successor Agency will continue to keep its administrative costs within the limit pursuant to HSC Section 34176.1.

ENDING CASH AND FUND BALANCE

The Housing Asset Fund balance as of June 30, 2022 was \$7,747,510, as summarized in Table 2. Of this amount, \$5,662,041 was cash.

REAL PROPERTIES AND DISPOSITION STATUS

The former Agency transferred five properties to the Housing Successor as approved on the HAT:

- Pinole Grove Senior Housing Vacant Land (Samuel Street) – Pursuant to a Development and Disposition Agreement (“DDA”), this property is required to remain vacant as open space for the adjacent Pinole Grove Senior Housing development. The property has a steep slope and cannot be developed, therefore there are no plans for its disposition.
- Faria House Vacant Land (2100 San Pablo Avenue) – This 2.3-acre parcel is park land in which the Faria House resides.
- Collins House (612 Tennent Avenue) – The Housing Successor listed this property for sale in September 2020 and approved a Purchase and Sale Agreement (“PSA”) in May 2021; the PSA was terminated in January 2022 due to milestones not being met pursuant to the terms of the

PSA. The Housing Successor relisted the property in February 2022 and approved a Purchase and Sale Agreement (“PSA”) with a new buyer in August 2022. The property is in escrow until the buyer obtains building permits to substantially rehabilitate the property into a four-plex that includes one low income unit. All sales proceeds will be deposited into the Housing Asset Fund as required by law.

- Vacant Land (811 San Pablo Avenue) – The Housing Successor entered into a DDA with Satellite Affordable Housing Associates (“SAHA”) dated July 6, 2021, subsequently amended on February 21, 2023, to develop this property with 33 units of housing affordable to extremely low income to low income households. The majority of units will be restricted for veterans by State and Federal funding sources proposed to finance the project. As of January 2023, SAHA has secured nearly all financing needed to begin construction by June 2023. SAHA estimates construction will be complete by July 2024.

HSC Section 34176.1(e) requires all real properties acquired by a redevelopment agency prior to February 1, 2012 and transferred to the housing successor to initiate development of affordable housing or sell the properties within five to ten years of DOF’s approval of the HAT, or February 15, 2023. The City extended the deadline from February 15, 2018 to February 15, 2023, by action of the City Council on November 21, 2017 as permitted by law. The City has complied with this timeline for 612 Tennent Avenue and 811 San Pablo Avenue because it initiated development and entered into sales agreements prior to the deadline. The Grove Vacant Land and Faria House vacant land are exempt from this requirement due to their contractual land use restrictions.

LOANS RECEIVABLE

The Housing Asset Fund has \$862,883 in collectable loans receivable as described below:

- SERAF Loan in the amount of \$862,883: Prior to redevelopment dissolution, the former Agency deferred \$4,291,575 in Low and Moderate Income Housing Fund set-aside deposits in order to make State-mandated payments into SERAF, a State education fund. The Successor Agency is now responsible for making SERAF loan repayments from Redevelopment Property Tax Trust Funds (“RPTTF”). The outstanding balance as of June 30, 2022 was \$862,883. The total outstanding balance is anticipated to be paid off in 2023.

- Outstanding Developer Notes in the amount of \$3,972,907: The Housing Successor administers three loans made to affordable housing developers by the former Agency. The loans are repaid from residual receipts if the properties have sufficient cash remaining at the end of each operating year. Table 3 reflects an allowance for uncollectable notes to write off the value of these loans in case they are not repaid.
- Outstanding First-Time Homebuyer Loans and Housing Rehabilitation Loans in the amount of \$270,760: These loans have different maturity dates ranging from 2022 through 2099. Appendix 4 in Attachment 2 provides an inventory of outstanding loans. Table 3 reflects an allowance for uncollectable loans to write off the value of these loans in case they are not repaid.

COMPLIANCE WITH EXPENDITURE & PRODUCTION LIMITS

During FY 2021-22, the City was in compliance with all annual and five- to ten-year planning period requirements as described in this section.

PROPORTIONALITY REQUIREMENTS

As summarized in Figure 1, the Housing Successor fully complied with all Housing Asset Fund spending restrictions in FY 2021-22:

- The Housing Successor expended \$128,589 on administrative expenses which is under the maximum annual limit. At the time this report was written, the FY 2021-22 limit had not been published, but it will be higher than the FY 2020-21 limit of \$223,400.
- The Housing Successor did not use any Housing Asset Funds for homeless prevention or rapid rehousing expenses, and was therefore in compliance with the \$250,000 spending limit.
- The Housing Successor did not spend any Housing Asset Funds for affordable housing development-related expenditures in FY 2021-22, which is the second year of the current five-year compliance period for income proportionality. The Housing Successor will ensure future development-related expenditures comply with income proportionality requirements.

SENIOR RENTAL HOUSING LIMIT COMPLIANCE

Pursuant to HSC Section 34176 (b), Housing Asset Funds may not assist senior rental housing if more than 50% of deed-restricted rental housing units assisted by the former Agency, Housing Successor, or City in the previous ten years are restricted to seniors. Between FY 2012-13 through 2021-22, the Housing Successor, former Agency, and City assisted 33 deed-restricted rental units at 811 San Pablo Avenue that are not age restricted. The Housing Successor may assist up to 33 senior units to remain in compliance. The Housing Successor will ensure that it complies with this requirement moving forward.

Table 4 Deed-Restricted Senior Rental Units Assisted Prior Ten Years

Total Deed-Restricted Senior Units: 0%

Table 4 is limited to deed-restricted rental units assisted in the prior ten years (FY 2012-13 to FY 2021-22).

Appendix 5 in Attachment 2 presents a complete inventory of affordable housing in Pinole that is monitored by the City. Most projects were funded by the former Agency over ten years ago or developed to comply with the City's inclusionary housing requirements. 811 San Pablo Avenue will be added to the inventory after construction is complete.

EXCESS SURPLUS

The Housing Asset Fund may not accumulate an "excess surplus," or an unencumbered amount that exceeds the greater of \$1 million or the sum of deposits in the prior four fiscal years. This requirement ensures that housing successors are actively spending available Housing Asset Funds on affordable housing. Excess surplus must be expended or encumbered within three fiscal years of each year that excess surplus was accrued. If a housing successor fails to comply, it must transfer any excess surplus to HCD within 90 days of the end of the third fiscal year.

As shown in Table 5, the Housing Successor did not have an excess surplus in FY 2021-22. The unencumbered beginning cash balance (\$2,073,170) was less than the total deposits made in the prior four fiscal years (\$3,234,680).
