

LIST OF PLUMBING CONTRACTORS

(This is a list for convenience provided by the City of Pinole and not an endorsement)

NOTE:

1. For best results, we recommend getting quotes from at least three (3) plumbing contractors.
2. If the City receives complaints on the quality of service the contractor will be removed from the list.
3. Repeated inadequate street pavement patches will also result in the contractor's removal from this list.
4. If a Contractor does not have an X, it does not mean that cannot do the work. It just means that they will need a Sub-contractor.
5. All Contractors must obtain a City of Pinole Business License
